EXPLANATORY NOTES

1. SOURCE OF DATA: All personnel data is as of 31 December 1967 and was extracted from the Officer Master Tape Record (OMTR) maintained by U.S. Army Data Support Command. The absence of information indicates that data was not available at Headquarters, Department of the Army at time of publication.

2. NAMES: Names appearing in the Register are limited to 18 spaces, except that officers recently called to active duty reflect only the first 10 positions of their names. Due to space limitation, names appear in truncated form as entered on the OMTR rather than reduced to abbreviations or initials.

3. ASTERISK: An asterisk appearing in the temporary grade column identifies those Regular Army warrant officers on active duty as USAR commissioned officers.

4. BASIC DATE: The date on which service for commissioned promotion purposes in the Regular Army commences.

5. BASIC PAY ENTRY DATE: The date from which service creditable for basic pay is computed.

6. ERRORS AND OMISSIONS: The information contained in the OMTR is updated electronically by means of the Automatic Data Processing System (AR 330–17). The basic information for each officer is also reflected in field personnel records. Each officer whose name appears in this volume can verify data with his personnel officer who should take action to correct errors and omissions in accordance with the following instructions, as applicable:

a. Initiate corrective morning report remark and/or

b. Submit DA Form 2876 (Report of Change to DA Form 66) for those items that have NOT been reported previously as a change to DA Form 66.

c. Resubmit DA Form 2876 (Report of Change to DA Form 66) for those items that have been reported previously as a change to DA Form 66 prior to 1 January 1968. Identify those items of information correctly recorded on DA Form 66 and erroneously shown or omitted from this volume, and include following annotation in remarks section: "FOR UPDATING OMTR."

d. Notify The Adjutant General, ATTN: AGPF–FC, Department of the Army, Washington, D.C. 20310, of the name of any officer:

(1) On active duty on 31 December 1967 whose name is misspelled or does not appear in section 1 or 2 of this Volume.
